- **Freestyle/Dance sessions** are used for freestyle, dance, Moves in the Field and Learn to Skate USA Basic 4 or above.
- **Dance/Freestyle sessions** are used for dance, Moves in the Field and Learn to Skate USA Basic 4 or above. Dances travel around the rink in a counter clockwise direction.
- **Basic Skills Freestyle sessions** are open to Learn to Skate USA Free Skate 6 and below. No coned area and no buckets. Skaters may play their program music. Learn-to-Skate students may use free passes to attend these sessions.

RIGHT OF WAY

1. **Programs have the first priority to the right of way.** The program skater should be easily identifiable by the use of a fluorescent colored sash tied around the waist. Programs should be played in the order they are lined up on the board.
2. **Lessons have the second priority to the right of way.** Always yield the right of way to the skater/dance team wearing the sash and performing their program.
