FREE SUMMER LACROSSE

LEARN TO PLAY CLINICS

is a complete introduction to game of Lacrosse. During the clinic, players will learn the history of the sport, the fundamental skills required, positions on the field, rules, and elements essential for overall athlete development. This camp is designed for first-time participants who have not played team sports and/or those without any prior experience.

Join Parks, Recreation and Cultural Services and Pikes Peak Lacrosse as we team up to provide an introduction to America's fastest growing youth sport!!
