

# COLEMAN PARK GOALS\*

## THREE COMPONENTS OF THE PARK

### Outreach

- Gather insight to the community's vision.
- Reach a diverse user group and build community relationships.
- Bring interested citizens into the process.

### Active Sports Hub

- Provide 4-6 artificial turf, lighted, competitive sports fields for community recreation.
- Provide parking, restrooms, and concessions areas.
- Provide flexible, practice field space.
- Accommodate active and passive recreation.
- Complement Ed Ragain Field and UHealth Stadium.

### Connected Creek

- Restore a healthy stream corridor which offers a balanced approach to recreation and natural resource protection.
- Provide views and access to the natural beauty of the creek and rock outcrops.
- Expand outdoor/ nature education and programming.
- Connect Sand Creek Trail through the park.
- Partner with City Stormwater to identify sustainable green infrastructure.

### Community Recreation

- Provide year-round recreational opportunities and facilities for all ages and abilities.
- Provide a Universally Accessible Playground.
- Incorporate public art and wayfinding.
- Plan and Complete the Coleman Park segment of the Ring the Springs.
- Incorporate sustainable strategies for irrigation and water usage.

*\* Based on Park System Goals identified from the City of Colorado Springs Park System Master Plan, September 2014*
