**Class Specification – Analyst I**

|   |  |
|---|--|
| <b>Summary Statement:</b>   |  |
| <p>The purpose of this position is to perform a wide variety of analytical duties in support of an assigned group or unit; to perform a variety of analyses, studies, and research projects as requested by higher level staff; and to participate in administrative and financial processes.</p>   |  |
| <b>DISTINGUISHING CHARACTERISTICS:</b>  |  |
| <p>This is the entry level class in the Analyst series. This class is distinguished from the (II level) by the performance of the more routine tasks and duties assigned to positions within the series and by the level of supervision required in the performance of assigned duties. Since this class is typically used as a training class, employees may have only limited or no directly related work experience.</p> |  |
| <b>Essential Functions</b>  | Note: Regular and predictable attendance is an essential function in the performance of this job.  |
| <b>Time %</b><br>(All below must add to 100%)   | Note: Time spent on each essential function will vary based on operational needs and is only intended to be an approximation over the course of a full year.   |
| 40%   | Perform a variety of professional, operational, and analytical duties in support of group or unit activities; studies and research projects; gather and analyze data; make recommendations; and prepare reports on conclusions. Perform a variety of special projects and programs in assigned area; assist with the development of policies and procedures; and participate in program implementation and monitor activities. Provide assistance in resolving operational and administration problems; identify problem areas; conduct research to find alternative solutions; make recommendations; and assist in implementation.  |
| 15%   | Assist with the budget process; provide assistance in the development of assigned budget; collect and analyze financial data; review and analyze budget requests; create data tracking and reporting systems; monitor monthly status; and assist in the preparation of fiscal impact and other special financial analyses. Analyze grant budgets and set up appropriate line items for compatibility with accounting systems; and analyze and maximize the utilization of grant funds. Perform accounting services related to assigned function; monitor accounts payable and accounts receivable; maintain, research and reconcile various financial ledgers, logs and records; and prepare monthly and annual reports. |
