DISPOSED CASES

(OC)

CASCADE PUBLIC SERVICE COMPANY, INC., A COLORADO CORPORATION, AND
CASCADE METROPOLITAN DISTRICT NO. 1, A COLORADO SPECIAL DISTRICT AND
MUNICIPAL CORPORATION

Pueblo County District Court Water Division No. 2 Case No. 2011CW42

CLAIM: Plaintiffs, Cascade Public Service Company and Cascade Metropolitan District No. 1 allege that the Plaintiffs and the City entered into an agreement as to water rights in 1990. Plaintiffs allege that the City, by its failure to divert, use, and account for use of Plaintiffs’ water rights for a period in excess of 20 years has diminished and/or terminated a portion of Plaintiffs’ water rights by reducing their historic consumptive use quantification and that this diminishment constitutes a breach of the 1990 agreement. Plaintiffs were granted leave to amend their complaint to add a new claim for relief that the City had breached the 1990 Agreement by its alleged failure to keep accurate records and accounts of water service and to correct within a reasonable time errors in billing. Plaintiffs seek declaratory judgment by the Court that the City did breach the 1990 Agreement with the result that the Bypass Flow Obligation is in full force and effect.

STATUS: June 24, 2011 – summons and complaint received. July 21, 2011 – City files its answer. In June 2012, Plaintiffs were granted leave to amend their complaint to add a new claim for relief that the City had breached the 1990 Agreement by its alleged failure to keep accurate records and accounts of water service and to correct within a reasonable time errors in billing. The City filed its answer to the amended complaint on July 11, 2012 and asserted a breach of contract counterclaim against the Plaintiffs for their failure to pay for water service within the time required by the 1990 Agreement. Trial was originally scheduled for April 2013. In February 2013, Plaintiffs hired additional legal counsel and due to the schedule of the new counsel, the April 2013 trial date was vacated and reset for August 13-16, 2013. The parties subsequently entered into settlement discussions and in late April, agreed to hold in abeyance all further trial preparation while settlement negotiations proceeded. Plaintiffs filed a motion to vacate the trial to allow settlement negotiations to proceed. The parties discussed settlement on a number of occasions, but they were unable to reach a settlement. Trial was then scheduled for February 11-14, 2014. In November 2012, Cascade Public Service Company gave a deed in lieu of foreclosure to Realty Management Group, LLC (RMG) conveying the Harmes Ditch Water Rights that are the subject of the 1990 Agreement. On October 31, 2013, RMG moved to intervene in the case as a Plaintiff on the grounds that it owns the Harmes Ditch Water rights. The City consented to intervention on the grounds that RMG now owned the water rights and the court granted the motion to intervene. Plaintiffs filed a motion to continue trial on the grounds that one of Plaintiffs’ key witnesses was under criminal investigation for embezzlement from the

Cascade Metropolitan District and was not available for deposition or trial until after the criminal charges were resolved. The City opposed the motion due to prejudice to the City arising from delay and continued non-payment for water services by the Plaintiffs. The City and Plaintiffs thereafter entered into an agreement to continue the trial pursuant to which the Cascade Metropolitan District will add a monthly fee to its current water bills and use the money from the added fee to pay off its past-due balance. In addition, Plaintiffs agreed to pay in full each monthly bill plus all accrued interest. If Plaintiffs fail to adhere to this agreement, then trial could be reset without regard to the status of Plaintiffs' unavailable witness. The parties are required to file status reports with the court on the availability of the currently unavailable witness in June 2014 and every 91 days thereafter. Trial will be rescheduled as soon as the unavailable witness can testify, but when the witness will be available is still unknown due to investigations still underway by the El Paso County District Attorney's office. There are several other motions pending before the court seeking rulings on various matters. The parties have met on several occasions to discuss settlement and those discussions are continuing. A status conference was held with the court on July 7, 2014. At that time the court ordered the parties to enter into mediation. The parties agreed to use retired water judge O. John Kuenhold as the mediator. Subsequent to the court's order for mediation, a group of customers of the Cascade metropolitan District moved to intervene in the lawsuit. The customers of the Cascade metropolitan District are located outside of the District's boundaries and therefore have no vote on the District's Board of Directors. They think the District has been badly managed and feared any settlement would occur to their detriment. Because their interests were not represented by any party to the lawsuit, they appeared entitled to intervene, so the City consented to their intervention, as did the Plaintiffs. The Intervenors were included in the court ordered mediation. As a result of the mediation the parties reached an agreement in principle on settlement of the lawsuit. The settlement agreement was presented to and approved by the Utilities Board and City Council. An initial closing to effect the settlement was held on April 3, 2015. The lawsuit was dismissed with prejudice on April 3, 2015. **A final closing was held in early June.**

United States Bankruptcy Court for the District of Delaware Chapter 11 Case No. 10-13446 (KJC) (Jointly administered).

United States District Court Case No. 15-cv-01442-REB

CLAIM: The Banning Lewis Ranch Co. LLC and Banning Lewis Ranch Development I & II LLC, filed Chapter 11 petitions in the U.S. Bankruptcy Court in Delaware, citing more than \$242 million in debts. The two companies own the 21,400-acre ranch that stretches from Woodmen Road to Fontaine Boulevard between Marksheffel and Meridian roads.

STATUS: Court approved sale of property to Ultra Resources; action moved to Colorado bankruptcy court to determine whether City land-use agreements including the BLR annexation agreement should remain in effect. On May 1, 2012, the City, Ultra and Debtor BLRC filed a joint motion to hold the adversary proceeding in abeyance until November 1, 2012, while the parties attempt to resolve the matter consensually. July 25, 2012 USBC District of Delaware Court orders the Debtor The Banning Lewis Ranch Company, LLC to sell the 72 acre parcel that was formerly the directors' parcel to Bahr Holdings LLC. Court grants the parties request to hold the Ultra Adversary Proceeding in abeyance until April 1, 2013 and requires the parties to file another status report not later than April 1, 2013. On April 1, 2013, the City and Ultra filed a Second Joint Status Report and Motion for Further Stay of Adversary Proceeding (the "Second

Joint Motion”). In the Second Joint Motion, the City and Ultra requested a further stay of all proceedings until July 1, 2013. By order entered on April 3, 2013, the Court granted the Second Joint Motion, stayed the adversary proceeding until July 1, 2013, and directed the parties to file another status report no later than July 1, 2013. On June 28, 2013, the City and Ultra filed a Third Joint Status Report and Motion for Further Stay of Adversary Proceeding (the “Third Joint Motion”). In the Third Joint Motion, the City and Ultra requested a further stay of all proceedings until November 1, 2013. By order entered on July 1, 2013, the Court granted the Third Joint Motion, stayed the adversary proceeding until November 1, 2013, and directed the parties to file another status report no later than November 1, 2013. On November 1, 2013, the City and Ultra filed the Fourth Joint Status Report and Motion For Further Stay Of Adversary Proceeding (the “Fourth Joint Motion”). In the Fourth Joint Motion, the City and Ultra requested a further stay of all proceedings until January 14, 2014. By order entered on November 4, 2013, the Court granted the Fourth Joint Motion, stayed the adversary proceeding until January 14, 2014, and directed the parties to file another status report not later than January 14, 2014. On January 14, 2014, the City and Ultra filed the Fifth Joint Status Report and Motion For Further Stay Of Adversary Proceeding (the “Fifth Joint Motion”). In the Fifth Joint Motion, the City and Ultra requested a further stay of all proceedings until March 17, 2014. By order entered on January 28, 2014, the Court granted the Fifth Joint Motion, stayed the adversary proceeding until March 17, 2014, and directed the parties to file another status report not later than March 17, 2014. On March 17, 2014, the City filed a Status Report with the Court advising the Court that the parties were unable to reach a consensual resolution and had decided to move forward in the Adversary Proceeding. On March 17, 2014, Ultra and the Debtor filed a Motion to Terminate the Stay of the Adversary Proceeding and Request for a Scheduling Conference. On March 19, 2014, the City filed its Response to the Motion to Terminate the Stay. On March 21, 2014, the Court entered its order terminating the stay of the Adversary Proceedings and (a) directed the parties to file responses to the Motion to Intervene filed by Randle W. Case on or before April 1, 2014; (b) directed Ultra and the Debtor to reply to the City’s amended counterclaims by April 17, 2014; (c) directed the parties to conduct a Rule 26(f) conference and submit an amended Rule 26(f) report by April 23, 2014; and (d) scheduled a status and scheduling conference for April 30, 2014. On April 1, 2014, Ultra and the Debtor filed their Response to the Motion to Intervene and stated their opposition to the Motion to Intervene. On April 1, 2014, the City filed its Response to the Motion to Intervene and stated its support for the Motion to Intervene. On April 3, 2014, Ultra and the Debtor filed their Motion for Partial Summary Judgment and argued that the Court should enter a declaratory judgment that the Annexation Agreement is an executory contract that can be rejected. On April 10, 2014, Mr. Case filed his Reply in Support of Motion to Intervene. On April 17, 2014, Ultra and the Debtor filed their Reply to the City’s Amended Counterclaims. On April 23, 2014, the parties filed the Amended Rule 26(f) Report. On April 30, 2014, the parties appeared for the status and scheduling conference. During the conference, the Court set a deadline of May 30, 2014, for the City to file its own motion for partial summary judgment and a motion to join necessary parties. The Court also stated that discovery would not go forward until the Court had ruled on the motions for partial summary judgment. On May 5, 2014, Mr. Case filed his Response to Ultra’s and the Debtor’s Motion for Partial Summary Judgment. On May 5, 2014, the City filed its Response to Ultra’s and the Debtor’s Motion for Partial Summary Judgment. On May 30, 2014, the City filed the City’s Motion to Require Joinder of Absent Annexors in Banning Lewis Ranch (the “Joinder Motion”) and the City’s Motion for Partial Summary Judgment (the “Summary

Judgment Motion”). In the Joinder Motion, the City argued in substance that all of the annexors within Banning Lewis Ranch should be joined as parties to the litigation because Ultra seeks to adversely affect their interests. In the Summary Judgment Motion, the City argued in substance that the Court should grant summary judgment in favor of the City and declare that (a) the Annexation Agreement is not an executory contract that can be rejected pursuant to Section 365 of the Bankruptcy Code and (b) the property Ultra acquired from the Debtor remains subject to the Annexation Agreement because the sale of the property to Ultra was not free and clear of the Annexation Agreement pursuant to Section 363(f) of the Bankruptcy Code. On June 2, 2014, Ultra filed its reply brief in support of its motion for partial summary judgment and in reply to the responses filed by the City and Mr. Case to Ultra’s motion for partial summary judgment. On June 10, 2014, Nor’wood Development Group issued a press release stating that Ultra had contracted to sell the property to Nor’wood subject to completion of due diligence. On July 7, 2014, Ultra filed its response to the City’s Joinder Motion and Summary Judgment Motion. On July 30, 2014, the City filed its reply briefs in further support of the City’s Joinder Motion and Summary Judgment Motion and in reply to Ultra’s responses in opposition to those motions. On July 31, 2014, the Court set a telephonic status conference to be held on October 1, 2014, at 10:00 am. On August 26, 2014, the Court entered an order allowing Ultra to file sur-reply briefs in response to the City’s reply brief in support of its motion for summary judgment and in support of its motion to join the other annexors as necessary parties. On December 10, 2014, Ultra and the Nor’wood entities that purchased the property within Banning Lewis Ranch owned by Ultra -- BLH No.1, LLC, BLH No. 2, LLC, and Banning Lewis Holdings, LLC (collectively, the “BLH Entities”) filed a motion to substitute the BLH Entities for Ultra and stated that Ultra had assigned all of its claims, rights and interests in the adversary proceeding to the BLH Entities. On December 12, 2014, the Court granted the motion to substitute. On December 12, 2014, the Court also heard oral argument on the pending motions for summary judgment and took the matter under advisement. Court’s ruling on motions is pending. **On June 22, 2015, the bankruptcy court entered its Order on Pending Motions and granted summary judgment in favor of the City and denied the partial summary judgment motion filed by the BLH Entities. The bankruptcy court held that the Annexation Agreement and related agreements are not executory contracts that can be rejected and that the sale of the property was not free and clear of the Annexation Agreement and related agreements. On July 6, 2015, the BLH Entities filed their Notice of Appeal and Statement of Election (electing to have the appeal heard by the United States District Court for the District of Colorado). On July 20, 2015, the BLH Entities filed their Designation of Record and Statement of Issues. On August 3, 2015, the City filed Appellees’ Designation of Additional Items to Be Included in the Record On appeal. On August 3, 2015, the parties filed the Joint Motion to Abate Appeal Pending Settlement Negotiations and requested that the appeal be held in abeyance until October 2, 2015. On August 4, 2015, the federal district court entered the Order Granting Joint Motion to Abate Appeal During Settlement Negotiations and stayed the appeal until October 2, 2015 and directed the parties to file by October 2, 2015, a joint status report apprising the court of the status of the negotiations and their view as to how the case should proceed.**

TRANSIT SERVICES

Amalgamated Transit Union, Local 19 v. First Transit, Inc., v. City of Colorado Springs

El Paso County Court Case No. 2007CV1322, appealed to the Colorado Court of Appeals, Case No. 09CA2343;

United States District Court Case No. 10-cv-02002-RPM-MEH;

Case remanded to Denver District Court Case No. 2010CV6127;

Case changed venue to El Paso County Court Case No. 2012CV81

Court of Appeal, Case Number 2013CA001711

CLAIM: Defendant and Third-Party Plaintiff First Transit filed this third-party complaint against the City to enforce the City's alleged contractual obligation to indemnify First Transit for any liability and costs arising from the claim of Plaintiff Amalgamated Transit Union (ATU) Local 19. In 1981, the City, ATU, and the contract operators for the City's transit operations entered into a Section 13(c) Agreement. In 2006, Laidlaw Transit was awarded the contract to operate the City's general fund transit operations, commonly called the "South Facility." In 2007, the assets of Laidlaw were purchased and merged into First Transit, which assumed Laidlaw's contract with the City. In November, 2009, the City notified First Transit of the termination of the South Services Contract due to funding shortfalls and First Transit was ordered to plan the cessation of the South Facility operation accordingly. First Transit then ceased operating the South Facility and terminated all South Facility employees.

STATUS: In January, 2010, ATU asserted to First Transit that First Transit is a party to the Section 13© Agreement and is required by the Agreement to apply the South Facility collective bargaining agreement to the Pikes Peak Rural Transportation Authority bus transit operation (referred to as the "North Facility") and all North Facility collective bargaining unit employees or to provide dismissal allowances, thereby burdening First Transit with potential liability. ATU filed suit against First Transit in Colorado State District Court for Denver County, Colorado on July 30, 2010. On August 19, 2010, First Transit filed a Notice of Removal in the U.S. District

Court, District of Colorado. On September 13, 2010, First Transit filed a third-party complaint against the City seeking indemnification pursuant to the parties' services agreement and alleging that the City is contractually obligated to assume sole responsibility, indemnify, and compensate First Transit for any and all costs and liability resulting from ATU's claims raised pursuant to the 13© Agreement. On November 1, 2010, the City filed a motion to remand to El Paso County District Court. First Transit filed its response to the City's motion to remand on November 23, 2010, and the City replied on December 7, 2010. A hearing on the City's motion to remand was held on January 7, 2011. On February 14, 2012, the Court issued an order granting the City's motion to remand, but remanding the case to the District Court for the City and County of Denver, Colorado. On February 28, 2012, the City filed a motion to dismiss for failure to state a claim for which relief can be granted, C.R.C.P. 12(b)(5) in the District Court for the City and County of Denver, Colorado. On that same date, the District Court for the City and County of Denver, Colorado *sua sponte* issued an order remanding the case to the El Paso County District Court (thereby initiating Case No. 12cv81). On March 1, 2012 ATU filed a motion to reconsider Court's order of February 28, 2012. The City reaffirmed its motion to dismiss by re-filing same in 12cv81. The city responded to ATU's motion to reconsider on March 14, 2012. On March 16, 2012, ATU filed a motion to hold the proceedings in abeyance pending a determination of proper venue. And, on March 19, 2012, ATU filed response to the City's motion to dismiss. On March 20, 2012, First Transit filed a response in opposition to ATU's motion to reconsider the Denver District Court's remand to El Paso County; and, on March 20, 2012 First Transit also responded in support of the City motion to dismiss. ATU replied on March 21, 2012 in support of its motion reconsider the Denver District Court's order remanding to El Paso County. The City then, on March 26, 2012, responded to ATU's motion to hold the proceedings in abeyance. On March 27, 2012 ATU replied to First Transit's response in support of City's motion to dismiss; and ATU replied to First Transit's response regarding the order concerning remand to El Paso County. On March 30, 2012, the City files replied to ATU in support of the City's motion to dismiss. On April 2, 2012, ATU replied in support of its motion to hold proceedings in abeyance. A motions hearing was held on June 21, 2012. On July 6, 2012, the El Paso County District Court (12cv81) issued an order stating it would take no action regarding the City's motion to dismiss until the a judgment was entered in 2007cv1322.

2007cv1322 has been filed by ATU against the City in El Paso County District Court regarding enforcement of the 13(c) agreement against the City and its contractors. In that case, the El Paso County District Court has entered an order on August 25, 2009 entitled Partial Grant and Denial of City's Motion for Summary Judgment, finding the binding interest arbitration provisions of paragraph 15 of the 13(c) agreement in violation of Colorado law and unconstitutional. ATU appealed that ruling to the Colorado Court of Appeals (09CA2343). On October 21, 2010, the Court of Appeals announced an unpublished opinion affirming the judgment and remanding the case with directions. A trial on remand was held June 11, 2012. On July 24, 2012, the Court in 07cv1322 entered an order finding that the 13© agreement was not perpetual and void as a matter of law. 07cv1322 is now closed.

ATU filed a notice of decision on August 28, 2012, notifying the El Paso County District Court in 12cv81 that the Court had ruled in 07cv1322. October 12, 2012 the Court issues order denying City's motion to dismiss in 12cv81. The City on November 8, 2012, filed its answer and affirmative defenses to First Transit's third party complaint. The parties exchanged disclosures on December 18, 2012. Trial is scheduled for September 16, 18 and 19, 2013. The parties have responded to written discovery in advance of the May 31, 2013 discovery cut-off

July 24, 2013 Court grants Plaintiff's motion for summary judgment and thus agrees to proceed to arbitration; Court denies First Transit's motion for summary judgment. August 28, 2013 First Transit files motion for entry of final judgment pursuant to CRCP 54(b). August 29, 2013 Court grants order for final judgment pursuant to 54 (b). City's liability determination is stayed. September 19, 2013 First Transit files Notice of Appeal. November 21, 2013 First Transit files opening brief.
