**COLEMAN
COMMUNITY
PARK
MASTER PLAN**

Saturday's Coleman Community Park event is postponed
New date to be shared when available

Due to forecasted inclement weather on Saturday, May 21, the scheduled event to provide input on the Coleman Community Park master plan is postponed. The event, an outdoor opportunity to explore the park site and provide input on future park amenities and design, will be rescheduled and the new date will be published when available.

Coleman is a 70-acre mostly undeveloped park site located on the east side of Colorado Springs, near the intersection of Tutt Boulevard and Barnes Road. This is the first in a series of at least three planned community forums that will help inform the park's master plan.
