

Your Community! Your Voice! Su Comunidad! Su Voz!

The City of Colorado Springs Housing and Community Initiatives Division is conducting public outreach to learn more about community needs and plan for the use of federal grant funds provided through the U.S. Department of Housing and Urban Development. Funds can be used for projects that improve neighborhoods and housing, provide community facilities and services and expand economic opportunity, principally to benefit low- and moderate-income people.

Your input is important. **Please ATTEND a community meeting!**
