

Burn Restriction Order

Due to current and forecasted conditions, Colorado Springs Fire Department, by and through its Division of the Fire Marshal, determines measures necessary to heighten fire hazard awareness and reduce fire risks in order to protect health and safety have lessened. Therefore:

EFFECTIVE NOON (MT), MONDAY, NOVEMBER 2, 2020

THE CITY OF COLORADO SPRINGS RESCINDS THE AUGUST 24, 2020, BURN BAN ORDER AND MOVES INTO A BURN RESTRICTION ORDER (Order).

The following acts are PROHIBITED within the City of Colorado Springs:

- Recreational fires
- Bonfires
- Open or prescribed burns
- Outdoor smoking in ALL CITY PARKS AND OPEN SPACES
- Small internal combustion engines operated without a properly installed, maintained, and functioning spark arrestor
- Recreational fireworks/devices requiring ignition such as sparklers, snakes, aerals, comets, flares, flyers, fountains, missiles, mortars, spinners, punks, rockets, shells, etc. (PROHIBITED AT ALL TIMES)
- Trash/rubbish burning (PROHIBITED AT ALL TIMES)

The following acts are ALLOWED within the City of Colorado Springs:

- Select pyrotechnic or commercial activities WHEN PERMITTED by Colorado Springs Fire Department (CSFD)
- Hot work activities such as welding, brazing, blasting, and torching in forested or grassy areas WHEN PERMITTED by CSFD
- Model rockets WHEN PERMITTED by CSFD
- Outdoor smoking ONLY in designated areas and disposal of smoking materials must be in a non-combustible container with a secured lid (SMOKING IS PROHIBITED IN ALL CITY OWNED PARKS AND OPEN SPACES)
- Outdoor fireplaces and outdoor appliances:

- Shall maintain a minimum clearance of 15' between the fireplace or appliance and all combustible structures, fences, and/or vegetation (No clearance requirements for permanent outdoor fireplaces or appliances installed in accordance with the currently adopted *International Mechanical Code*.)
 - Shall ONLY be fueled by wood, pellets, charcoal, liquid propane (LPG), or natural gas
 - Shall utilize spark arrestors when fueled by wood, pellets, or charcoal
 - Shall constantly be attended by a capable adult with a means of complete extinguishment
- Cooking devices, intended for outdoor use, fueled by solid materials (wood, pellets, or charcoal) and/or liquid propane (LPG), natural gas, or liquid fuel:
 - Shall maintain a minimum clearance of 15' between the device and all combustible structures, fences, and/or vegetation (No clearance requirements for permanent outdoor cooking appliances installed in accordance with the currently adopted *International Mechanical Code*.)
 - Shall constantly be attended by a capable adult with a means of complete extinguishment
 - Shall dispose of waste (residue from wood, pellets, or charcoal) in non-combustible containers with lids tightly secured

This Order is in full force and effect for the City of Colorado Springs. The Order will remain in effect until rescinded.

Violators of this Order shall be subject to the General Penalty provisions of the Code of the City of Colorado Springs 2001, as amended, sections 1.1.201 and 1.1.202, which may include punishments up to a \$2,500 fine; imprisonment in jail, not to exceed 189 days; a sentence to probation; or a combination of a fine, imprisonment, or probation. Fires caused in violation of this Order may be investigated as a misdemeanor or felony arson violation, subjecting violators to any penalties provided under Colorado State statutes.

The Colorado Springs Fire Department urges all citizens of and visitors to Colorado Springs to abide by this Order and share in the responsibility of keeping our community safe. Please report any suspected violations of the Order, by calling 719-444-7000.

Outdoor burning guidelines, as well as additional public safety information, is available on the coloradosprings.gov website (<https://coloradosprings.gov/fire-department/page/outdoor-burning-guidelines>).
