LEADING THE WAY TO OUR FUTURE

Colorado Springs is in the first stages of a two-year process of substantially updating our Comprehensive Plan, which was last updated in 2001. The Plan will guide development and growth of the city and will establish a framework for future policies and priorities.

YOUR INPUT IS ESSENTIAL!

Help guide the Plan's values and vision by sharing your ideas for the future of Colorado Springs. Take the [SpeakUp! COS Survey](#) and learn more about the Plan at: www.coloradosprings.gov/PlanCOS
