**Class Specification – Human Resource Business Partner, Senior**

**Summary Statement:**

The purpose of this position is to align business objectives with employees and management in designated business units. The Senior HRBP serves as a consultant to manage human resource related issues; assess and anticipate HR-related needs; communicate needs proactively with the HR department and business managers to develop integrated solutions; and formulate partnerships across the organization to deliver value added service to managers and employees that reflect the business objectives of the organization.

**DISTINGUISHING CHARACTERISTICS:**

This is the advanced journey level class in the Human Resource Business Partner series. Positions at this level possess a specialized, technical, or functional expertise within the area of assignment and may exercise lead supervision over assigned lower-level staff. Employees are typically assigned significant responsibilities above the journey level and often exercise independent judgment in the performance of all duties. This class is distinguished in that it performs the most complex work assigned to series and may serve in a working supervisory capacity over lower level staff.
