C. Senior Ambassador Program
   • This item was heard following item IV. B.
   • This item was presented by Angel Bond, Mobility Manager of PPACG, who oversees coordination of seniors’ transportation needs.
   • She described the Senior Ambassador Program as a volunteer program where seniors act as mentors to help teach other seniors how to use the bus system.
   • Brochures for PPACG Mobility Guide and the Senior Ambassador Program were provided to the attendees.
   • She asked for comments or suggestion on this outreach.
   • There was discussion regarding what PPACG does, where they have placed their brochures or advertised this service, and the complexity of the brochures’ “Popular Destination” guide.
   • There was a suggestion that the brochures be given to Senior Living Centers.
D. Older Driver Coalition

- Maile Gray and Barb Bailey from Drive Smart Colorado briefed the Board on what role Drive Smart takes with senior drivers, and how it is funded.
- Drive Smart was approached by CDOT, Transportation Safety, to take a look at senior drivers.
- Want to become familiar with alternate transportation that is available and enhance the State of Colorado issues for older drivers, specifically El Paso and Teller Counties. Colorado is behind when it comes to programs and services for the older driver.
- They have formed a coalition to address senior drivers. In the first year they plan to form three focus groups. Older drivers, 65+, adult children of older drivers (or care givers), and physicians.
- An invitation was extended to anyone in the meeting who falls within the parameters, to join one of the focus groups.
- There are also plans to create a resource guide explaining to seniors how to do a self-assessment, and what transportation programs are available.
- There was discussion on what other states are doing, policies for driver license renewals, and how difficult it is to get seniors to accept that they can no longer drive.
- Suggestions were made to contact American Seniors Association (part of AARP), and contacting congress to make day lamps a standard option on all vehicles.

VI. OLD BUSINESS:
