Project Info

The public is invited to participate in the November 1st community planning meeting to provide input and set vision for the project site.

- The City of Colorado Springs has an opportunity to identify a park improvement project within the Hillside Neighborhood. A community-driven effort combined with Community Development Block Grant funding has led to community discussion about a project that meets the following goals.
 - Identify and select a project site
 - Maintain Leon Young's legacy working with youth
 - Effectively use Community Development Block Grant funding on Hillside community needs
 - Improve park service levels for the community
 - Commit CDBG funds by the end of March 2020
- The City's Parks, Recreation and Cultural Services Department is legally responsible for design, maintenance, operations and management of all the city's park sites.
- The City's Parks, Recreation and Cultural Services will seek to provide services and facilities that are operationally sustainable and financially practical.
- **Implementation of any Community Project will occur through the City of Colorado Springs - Community Development Block Grant funding of \$150,000 which will adhere to federal guidelines.**
- Many groups and individuals are interested in and are encouraged to help identify and develop the best possible project; and **all voices are equal in the decision making process.**
