Work will include combining two of the four ranges into one range creating total of 3 ranges; adding space to the existing classroom specifically for CSPD use; and, addressing erosion issues. Converting the 100-yard range into a 200-yard range is still being considered.

 - CSFD's 2020 year-end spending and 2021 year-to-date spending is tracking nicely to stay on budget.
 - CSFD has an academy class of 24 recruits in session that began in March. These recruits will graduate in June. A second academy class of 20 recruits will begin in July.
 - CSFD has participated in a significant amount of COVID-related community outreach to include multiple COVID vaccination sessions.
