I have been trained on, and understand the requirements for operating a vehicle within the restricted area(s) of the airport and will comply. My signature also verifies that the vehicle is marked with my company name and/or logo on both sides and is visible from a distance of 50 feet. I understand that access will be denied and I will be subject to penalties ranging from remedial training to fines and arrest if found in a secure area with a vehicle that does not have the proper markings and/or permit.

AOA Permit holders must return all Airport-issued AOA Permits to Airport Operations upon termination of their employment at the Airport or their need for the AOA Permit; on or before the expiration date of the AOA Permit; or upon request by Airport management. Failure to return any Airport-issued AOA Permit may result in fees being assessed against the AOA Permit holder or company according to the current fee list in effect at that time. Individuals/Companies who fail to pay fees assessed by the Airport for lost/unreturned AOA Permits may be turned over to collections.
