

Job Title	Concrete Finisher, Senior	FLSA Status	Non-Exempt
Band	GNL	Probationary Period	12 Months
Zone	8	Job Code	13316

Class Specification – Concrete Finisher, Senior

Summary Statement:

The purpose of this position is to perform cement mason work in laying, floating and finishing concrete for the construction, installation and repair of new or existing sidewalks, curbs and gutters, ramps and other construction projects. This is accomplished by maintaining skill and knowledge in the operation and maintenance of equipment, methods and material used, traffic laws, traffic control, ordinances, standards and rules involved in concrete construction, operation of equipment, occupational hazards, safety practices, operating characteristics, and uses of hand and power tools and mathematical calculations.

DISTINGUISHING CHARACTERISTICS:

This is the advanced journey level class in the Concrete Finisher series. Positions at this level possess a specialized, technical, or functional expertise within the area of assignment and may exercise lead supervision over assigned lower level staff. Employees are typically assigned significant responsibilities above the journey level and often exercise independent judgment in the performance of all duties. This class is distinguished in that it performs the most complex work assigned to series and serves in a working supervisory capacity over lower level staff.
