

2022 LART Funding Application

Introduction and Purpose

The City of Colorado Springs' **Lodgers and Automobile Rental Tax (LART)** fund is administered by City Council, with the guidance of the LART Citizen's Advisory Committee. The purpose of LART funding is to provide funds for marketing and other qualified expenses to support special events that attract visitors to the City and to the Pikes Peak Region, encourage tourist activity, provide economic and cultural benefit, enhance the quality of life in the City and, engage the community and.

Support from the LART fund is contingent on the approval of the City's annual budget and completion of all required contracts, agreements, and follow-up reporting on the part of applicants.

The City of Colorado Springs has seen a drastic reduction in tourism due to the COVID-19 pandemic. This economic disruption has negatively impacted revenue resulting in fewer funds to be awarded in 2022.

Questions regarding the application process or the program in general may be directed to Michael Montgomery, Deputy Council Administrator at 719-385-5540 michael.montgomery@coloradosprings.gov.

Mission of the LART Citizen's Advisory Committee (CAC)

The mission of the LART CAC is to recommend funding for special activities and events that attract overnight visitors, enhance the visitor experience, and engage the local community.

Qualifications

There is no guarantee that all applicants will be awarded LART funding. Even though a project may qualify, limited funds may not allow all applicants to receive assistance. Qualifications are as follows:

Qualifying Entities: Attractions, associations, organizations, or governmental or quasi-governmental agencies. Proof of non-profit status is required for any non-profit organization.

Qualifying Programs and Events: A festival, athletic, or cultural event. An event planned, produced, and promoted in a well-defined period. Event may be one-time or recurring (annual). Generally, events fall into one of two general categories:

- **Tourism Event:** events or activities that primarily attract tourists from outside the Pikes Peak region, but also attract community involvement, and local interest.
- **Community Event:** events or activities that primarily engage local community members. These may be long-time annual events of cultural or historic significance, new events unique to Colorado Springs, or other events that enhance overall community spirit, engagement, and diversity.

Other qualifying requests: In special circumstances, requests for capital improvements may also qualify for LART funding, if such improvements enhance the tourism experience and/or directly impact the ability to attract new tourists to the Pikes Peak region.

Eligibility Requirements

- Applicants should be able to demonstrate the ability to execute the program/event without depending on continued financial assistance from LART funds. Applicants should demonstrate the ability to solicit sponsorship and/or other funding to sustain the event on an ongoing basis.
- An application and all related documents must be submitted by the deadline in order to receive a recommendation by the LART Citizen's Advisory Committee, prior to receiving City Council approval.

- A final report is required from each program/event receiving LART funding for each year during the funding, and must be submitted within 90 days of completion of event. The final report should include:
 - A one page (maximum) typed summary of the results of the project.
 - Attendance figures should specify whether attendance is *estimated* or *actual* (based on entry fees, gate entry tabulation, etc). Please also indicate number of vendors and support staff.
 - A one-page budget for the program/event, including how LART funds were used.
 - Samples of advertising or promotion including tear sheets, photographs, brochures, video, etc.
 - A list of media coverage and/or sponsorship to include dates/times of news reports, in-kind advertising, inclusion on event calendars, social media, etc.

Funding Purposes

All LART funding must be used for qualified expenses directly related to the execution of the program/event. Because LART funding is generated specifically from lodging and auto rental tax, the primary purpose is to increase tourism and lodging and auto rentals through unique and engaging programs/events. Therefore, LART funding is generally not approved for rent of offices, repairs, renovation and/or remodeling of facilities, or capital improvements, except in special circumstances.

The list below is a guide, but is not comprehensive.

Allowable Expenses

- Development of new events, major exhibits and activities.
- Promotion, advertising, printing, publication and any other promotional activities such as brochures, rack cards, event flyers, website, and online/social media promotion.
- Day-of-event expenses including barricades, security, CSFD, CSPD, park fees, signage, port-o-lets, etc.
- Capital improvements, when directly impacting tourism or tourist attractions.
- City services such as street sweeping, permits, and/or EMS service provided by the City of Colorado Springs.

Disallowable Expenses

- Projects restricted to private or exclusive participation.
- Cash awards of any description, including scholarships, endowments or donations to charitable organizations.
- Expenses not directly related to the approved program for which the application was submitted.
- Interest or the reduction of deficits or loans.

Core Stipulations

- Failure to use funds as specified in the LART funding application may result in penalties up to and including a full refund of funds.
- Failure to submit the agreed upon procedures and final report within 90 days of the completion of the program/event is unacceptable and may result in penalties up to and including a full refund of funds.
- Applicants cannot transfer funds from one specific program/event to another without a written request and approval.
- Organizations receiving LART funding must have a reciprocal link on their web site to the Visit Colorado Springs website, www.visitcos.com, the City of Colorado Springs website, <https://coloradosprings.gov/ocusa>, the Colorado Springs Airport, www.flycos.com, and list events on PeakRadar.com. The consumer must be able to reach these links within one click. LART logo to be included on any promotional material, including but not limited to print collateral, websites, or banners on site as available
- **Applicants who do not comply with all deadlines and procedures may be ineligible to receive LART funding in future years.**
- **Applicants must follow all local health department COVID-19/infectious disease guidelines at time of event**
