BUSINESS

1. Updates
Presenter: Fire Marshal Brett Lacey

- A. Burn Restriction Order

Fire Marshal Lacey states the order is lifted. The region expects wet snow this weekend; however, the long-term forecast is extremely dry and concerning. The Pikes Peak Region Wildfire Preparedness team continues to meet weekly. It is anticipated the city will return to burn restrictions in late spring or early summer.

- B. COVID-19

Many people are now vaccinated, and opportunities to receive the vaccine are more readily available. Fire Marshal Lacey encourages people to get vaccinated if they are so inclined. The number of staff testing positive or exposed to the virus is down; therefore, additional updates are unnecessary at this time.
