

## Approved<sup>1</sup> Extraction Systems

List Updated: 2/4/2019

Manufacturer	Model	Process	Link
Anion USA	Trifecta Extraction Platform Minifecta Extraction Platform	Butane or Propane	<a href="http://www.anion-usa.com">http://www.anion-usa.com</a>
Apeks Supercritical	1500-1L	Carbon Dioxide (CO <sub>2</sub> )	<a href="http://www.apekssupercritical.com">http://www.apekssupercritical.com</a>
	1500-5L	Carbon Dioxide (CO <sub>2</sub> )	
	1500-20L	Carbon Dioxide (CO <sub>2</sub> )	
	2000-1L	Carbon Dioxide (CO <sub>2</sub> )	
	2000-5L	Carbon Dioxide (CO <sub>2</sub> )	
	2000-20L	Carbon Dioxide (CO <sub>2</sub> )	
	5000-5L	Carbon Dioxide (CO <sub>2</sub> )	
	5000-20L	Carbon Dioxide (CO <sub>2</sub> )	
BizzyBee	metaBEEST Mono Rack Quadropod	Butane or Propane	
	metaBEEST Mono Rack Hexaopod	Butane or Propane	
Colorado Extractions Ltd.	071-KJ	Butane or Propane	<a href="http://www.coloradoextractions.com">http://www.coloradoextractions.com</a>
Delta 9 Design	B1000	Butane Only	<a href="http://www.d9d.co">www.d9d.co</a>
Eden Labs	Hi-Flow System 5L 2000 PSI	Carbon Dioxide (CO <sub>2</sub> )	<a href="http://edenlabs.com">http://edenlabs.com</a>
	Hi-Flow System 20L 2000 PSI	Carbon Dioxide (CO <sub>2</sub> )	
Emotek Labs	Obe	Butane Only	<a href="http://www.emoteklabs.com">http://www.emoteklabs.com</a>
ExtractionTek Solutions	LHBES 1300/C	Butane or Propane	<a href="http://extractiontek.com">http://extractiontek.com</a>
	MeP-HCU/C	Butane or Propane	
	mMeP	Propane, or Propane/Butane Mix	
MC Machinery	Incredible Extractor	Butane or Propane	<a href="http://www.incredibleextractor.com">http://www.incredibleextractor.com</a>
Precision Extraction Solutions	PX1	Butane or 50/50 Propane Butane Mix	<a href="https://precisionextraction.com/">https://precisionextraction.com/</a>
	V2016 PX1	Butane or Propane	
	V2017 PX1	Butane or Propane	
	V2017 PXP	Butane or Propane	
Separex	01700	Supercritical CO <sub>2</sub>	<a href="http://www.separex2.p5alias.domicile.fr/index.php/about-separex">http://www.separex2.p5alias.domicile.fr/index.php/about-separex</a>
Feyecon	450L	Supercritical CO <sub>2</sub>	

Note

1- This list does not include all extraction systems currently on the market. The list only constitutes the extraction systems that have been verified through a 3<sup>rd</sup> party, then vetted and approved through the Colorado Springs Fire Department. To add an extraction system to this list, please contact the Division of the Fire Marshal for requirements.
