**Relevant Background and Formal Education:** Demonstrated skills, competencies, and knowledge required for this job are most often acquired through the following practical experience and level of academic education and training as suggested below.

Education: Bachelor's degree from an accredited college or university with major coursework in public administration, business administration, or a related field.

Experience: Five years of full-time responsible real property program management experience including two years of administrative and supervisory responsibility.

**Certifications and Licenses:** Must possess or be able to acquire the following certifications and/or licenses.

Certifications required in accordance with standards established by departmental policy.

**Supervision Exercised:**

Work requires managing and monitoring work performance of a department including evaluating program/work objectives and effectiveness, establishing broad organizational goals and realigning work and staffing assignments for the department.

**Supervision Received:**

Receives Limited Direction: This job title normally performs the duty assignment according to his or her own judgment, requesting supervisory assistance only when necessary. Special projects are managed with little oversight and assignments may be reviewed upon completion. Performance reviewed periodically.

**Fiscal Responsibility:**

This job title oversees budget preparation of a division or department budget. Reviews and approves expenditures of significant budgeted funds for the department or does research and prepares recommendations for organization-wide budget expenditures.

**Physical Demands:**

Exerting up to 10 lbs. occasionally or negligible weights frequently; sitting most of the time.
