

# S A F E IN SECOND GRADE

The Colorado Springs Fire Department's SafetyFactor program is designed specifically for your 2<sup>nd</sup> grade students! This highly interactive fire and injury prevention program aims to teach students basic fire safety skills and injury prevention measures as well as how to apply them. Students will learn and practice:

- What to do in an emergency situation and use of 9-1-1
- Knowing the importance of having a fire escape plan
- Pedestrian safety
- Importance of wearing a helmet
