Approval of the minutes from August 21st meeting was postponed till October meeting, as there was not a quorum.

As there were only 2 voting members in attendance, the meeting was somewhat brief.

Councilor Strand gave an excellent update pertaining to PAMP (Public Art Master Plan)Members were informed that currently 14K was the amount to be raised to meet the total of 50k, 36K has already been raised. There was no indication as to when this amount will be raised. A question was directed to Tom if the PAC could "ASK" city council for help in funding the remaining 14k. It was suggested that a member of the PAC direct a question to a city council meeting in the Citizens question forum. It was an excellent idea.

Chair closed meeting at 4.34pm
