## TNT (Tennis in No Time)

### WHAT IS TENNIS IN NO TIME (TNT)?

Are you an adult who wants more instruction? Tennis in No Time (TNT) is perfect for you!

(TNT) Tennis in No Time classes will be starting in April 2019!

**TNT 1 (Beginner/ Lower Intermediate Level):** This class is for adults who are brand new to playing tennis – or have very little experience in playing matches. If you're familiar with USTA ratings, we are talking around a 2.5 rating. You may be a league player, or just someone who hasn't played tennis in a while. You'll be in a class with similar level players and this class will be VERY instructional based and help with any and all shots that are giving you problems!

**TNT 2 (Intermediate/ Advanced):** Are you an adult player who already plays regularly (or semi-regularly) but wants more instruction to improve your game? Come join this group. In this class, you'll use the skills developed from previous experience to prepare your game for full match play, drills, or USTA leagues and all the fun that tennis has to offer (Ratings of 3.0 and 3.5 generally). Our pro will personalize each class to instruct each player on proper technique and strategy to improve your game once you've completed the class!
