1. Introductions

- a. Attending: Rob Hernandez, Mike Killebrew, Jason Crowe, Scott Campbell, Skylar Leonard, Suzi Arnold, Suzi Taylor

2. Discussion

- a. **Project Update:** Kevin McDaniel provided project overview regarding new issues identified and requirements collected.
- b. **ColoradoSprings.gov re-Design:** New site is expected to be released in Q4 of this year or Q1 of next year. Skylar Leonard mentioned that a mapping feature within the new application would need to be looked at by the Office of Accessibility.
- c. **Transition Plan Update (Draft):** Kevin McDaniel provided an overview of the draft transition plan which is being reviewed by legal. Recognition for all stakeholders, including Information Technology, Communications, MMT, and Finance were given for their work in addressing usually difficult accessibility barriers. Scott pointed out that several developers, including Jeremy Jones, who was the first to reach 100% accessibility on a public facing application in this effort, were assigned to work on other applications in the future and expected scores to continue to improve. Procurement was also recognized for their efforts to ensure accessibility was recognized as a business requirement going forward.

A final draft will be sent to internal stakeholders to be reviewed prior to the next APC.

3. Next Meeting Date (September 7, 2021)
