**Class Specification – Planner, Senior**

**Summary Statement:**

The purpose of this position is to perform advanced journey level planning duties by reviewing complex land development applications; redevelopment and comprehensive urban planning and strategic planning of both landside and airfield development functions; assist in coordinating assigned activities and projects with other divisions, outside agencies, and the general public; lead and coordinate community planning processes related to land use growth and development, urban design, and transportation; aid in creating and implementing masterplans and other planning documentation; ensure compliance with professional and local standards and regulations; and perform a variety of duties relative to assigned area of responsibility.

**DISTINGUISHING CHARACTERISTICS:**

This is the advanced journey level class in the Planner series. Positions at this level possess a specialized, technical, or functional expertise within the area of assignment and may exercise lead supervision over assigned lower level staff. Employees are typically assigned significant responsibilities above the journey level and often exercise independent judgment in the performance of all duties. This class is distinguished in that it performs the most complex work assigned to series and serves in a working supervisory capacity over lower level staff.

self-study.

Writing: Advanced - Ability to write editorials, journals, speeches, manuals, or critiques. Ordinarily, such education is obtained at the college level or above. However, it may be obtained from experience and self-study.

**Technical Skills Required:**

Advanced Skills and Knowledge: Work requires advanced skills and knowledge in approaches and systems, which affect the design and implementation of major programs and/or processes organization-wide. Independent judgment and decision-making abilities are necessary to apply technical skills effectively.

**Relevant Background and Formal Education:** Demonstrated skills, competencies, and knowledge required for this job are most often acquired through the following practical experience and level of academic education and training as suggested below.

Education: Bachelor’s degree from an accredited college or university with major coursework in planning, aviation management, business management, geography, architecture, public administration, or a related field.

Experience: Five years of full-time responsible planning experience.

**Education and Experience Equivalency:**

One (1) year of the appropriate type and level of experience may be substituted for each required year of post-high school education.

Additional appropriate education may be substituted for the minimum experience requirements.

**Certifications and Licenses:** Must possess or be able to acquire the following certifications and/or licenses.

Certifications required in accordance with standards established by departmental policy.

**Supervision Exercised:**

Work requires functioning as a lead worker performing essentially the same work as those directed, and includes overseeing work quality, training, instruction, and scheduling work. May supervise a

regular group of employees.

**Supervision Received:**

Receives Limited Direction: This job title normally performs the duty assignment according to his or her own judgment, requesting supervisory assistance only when necessary. Special projects are managed with little oversight and assignments may be reviewed upon completion. Performance reviewed periodically.

**Fiscal Responsibility:**

This job title does research for documents, compiles data for computer entry, and/or enters or oversees data entry. Has responsibility for monitoring budget/ fiscal expenditures (typically non-discretionary expenditures) for a work unit of less than department size (programs, activities, projects, or small organizational units) or responsibility for fiscal management of capital project(s). May recommend budget allocations.

**Physical Demands:**

Exerting up to 10 lbs. occasionally or negligible weights frequently; sitting most of the time.

| <b>Environmental Conditions</b>      | <b>Frequency</b>   |
|--------------------------------------|--------------------|
| Primary Work Environment             | Office Environment |
| Extreme Temperature                  | Seasonally         |
| Wetness and Humidity                 | Never              |
| Respiratory Hazards                  | Never              |
| Noise and Vibrations                 | Never              |
| Physical Hazards                     | Seasonally         |
| Mechanical and/or Electrical Hazards | Rarely             |
| Exposure to Communicable Diseases    | Never              |

**Machines, Tools, Equipment, and Work Aids:** Telephone, fax machine, photo copier, digital camera, vehicle, personal computer, scanner, presentation projector, and standard office equipment.

**Specialized Computer Equipment and Software:** Microsoft Office, GIS software, and photo software.
