Staff Attending: Peter Wysocki, Carl Schueler, Tim Geitner, Matt Bingmann

Next meeting: *November 18, 2014 1:30pm Pikes Peak Room, City Hall*

I. Announcements

Chair and Vice-Chair were selected as Council Members Jill Gaebler and Andy Pico respectively. The assignment, issued by Carl Schuler, Comprehensive Planning Manager, for the next meeting is to review and suggest modifications to the Draft Mission Statement in time for the next meeting.

“Through collaboration and based on sound land use planning principles, assist City leadership by formulating policies, priorities and actionable strategies to support and encourage infill and redevelopment using an informed and inclusive process; resulting in a recommended new chapter of the City’s Comprehensive Plan.”

II. Discussion

Assignment review of Committee Priorities Exercise with three comments from each attendee on what the City does well and does not do well, regarding infill. All comments are captured via flip chart and disseminated in an email from Carl on November 7, 2014. Repeating themes from these comments have been identified during post meeting analysis and disseminated via the same email from Carl to be vetted during the next regular meeting.
