

Rocky Mountain

Accreditation Network

On behalf of the members of the Rocky Mountain Accreditation Network (RMAN), I would like to welcome you to Colorful Colorado and the beautiful city of Colorado Springs! RMAN represents thirty-seven law enforcement agencies from the Rocky Mountain Region, all of which are excited to once again have the pleasure of hosting a CALEA Conference.

We would like to personally invite you to attend our host night which will be held at the Hotel Elegante with entertainment and food. This will be a great opportunity to not only have some fun, but do some networking and relax in an enjoyable environment.

RMAN's motto is Professionalism, Integrity, and Leadership. We take great pride in working together as a team to meet the benchmarks in Law Enforcement Standards through CALEA.

Best Regards,

Christi S. Asbe
