**Class Specification – Police Evidence Manager**

<b>Summary Statement:</b>	
<p>The purpose of this position is to manage, supervise, and coordinate the activities, operations, budget, personnel, and all functions of the Colorado Springs Police Department Evidence and Impound units. This position oversees and conducts all training and coordination with internal units and outside agencies submitting, retrieving or otherwise involved with evidence, property, and impounded vehicles. This includes meeting with Investigations, Crime Lab, Internal Affairs, Colorado Springs Fire Department, Colorado Bureau of Investigations, District Attorney’s Office, and City Attorney’s Office; and other such units to coordinate efficient processes and collaborate on projects and system interfaces. This position is responsible for Evidence and Impound quality control through audits, inventories, and random inspections. Multiple laws govern proper evidence processes which require regular updates to policy and procedure. This position must regularly review all regulations and laws pertaining to evidence, as well as any evidence hazards, trends, and concerns for all affected parties. Additional duties include preparing reports and statistics, as well as, informing and making recommendations to upper level management regarding evidence issues, implementation of new programs/services, and strategic direction. This position supports the Evidence and Impound Unit Supervisors and employees and assists with resolution of employee, user, and customer issues and complaints.</p>	
<b>Essential Functions</b>	Note: Regular and predictable attendance in the performance of this job is an essential function.
<b>Time %</b> (All below must add to 100%)	Note: Time spent on each essential function will vary based on operational needs and is only intended to be an approximation over the course of a full year.
