**Date:** Friday, December 9, 2020, 1:00 p.m. – 2:00 p.m.

**Location:** Virtual Google Meet (32 people in attendance)

**Subject:** Residents can come learn about GoCOS! Citizens Request, Web Accessibility, and the Transition Plans

**Accommodations:** Captioning via Google Meet

**Introduction:** Kevin McDaniel, ADA Coordinator opened with introductions. Meeting began at 1:00 p.m.

#### Self-Evaluations

Mike Killebrew provided updates on Phase 13 of the Office of Accessibility's Transition Plan schedule.

To Wit: The number and names of open spaces to be part of Phase 13. Progress made last year to Stratton and Red Rock Open Space. Additional progress to North Slope Park detailed. General overview of some of the phases and procedure give.

#### Administrative Order 2020-02

Kevin McDaniel provided updates on Administrative Regulation 2020-02 and the City's progress in its transition to online accessibility.

The City is ahead of schedule with approximately 90% of new online documents posted tagged and assistive technology accessible. At least 50% of external applications scheduled for remediation are in progress or have a designation other than submitted.

Stacy Gibson, participant, suggested that the City post its loop systems and video phone locations online so that they are easily accessible.
