**Class Specification – Regional Parks Manager**

<b>Summary Statement:</b>	
<p>The purpose of this position is to manage aspects of the City of Colorado Springs’ Regional Parks, Trails, and Open Spaces. This includes operations, maintenance, education and interpretation associated with the parks. This is accomplished by designing, planning, and marketing, coordinating, developing goals, and developing registration materials for programs throughout the year. . This position requires an exceptional level of relationship building and coordination to ensure the needs of the parks are being met in concert with the expectations of its stakeholder groups This position may also oversee one or multiple facilities to include oversight of use, maintenance, and repairs. Other duties include hiring and supervising of support staff; conducting regular reviews of staff; and scheduling regular meetings to ensure program and facility goals are met. This position requires reading, reviewing, and editing program specific policies on a continuous basis; recruiting, managing, and training volunteers; preparing and managing a yearly revenue and expenditure budget; and managing vendor contracts that ensures compliance.</p>	
<b>Essential Functions</b>	Note: Regular attendance in the performance of this job is an essential function.
<b>Time %</b> (All below must add to 100%)	Note: Time spent on each essential function will vary based on operational needs and is only intended to be an approximation over the course of a full year.
