Zone	4	Job Code	14066

Class Specification – Signs Technician II

Summary Statement:	
<p>The purpose of this position is to design and fabricate roadway signs in compliance with federal standards. Designs signs, maintains inventory, and orders supplies as needed. This is accomplished by using Cartegraph to review work orders and determines which signs are needed. Coordinates with supervisors, traffic technicians, and other departments to support sign needs.</p>	
DISTINGUISHING CHARACTERISTICS:	
<p>This is the full journey level class within the Signs Technician series. Employees within this class are distinguished from the (I level) by the performance of the full range of duties as assigned. Employees at this level receive only occasional instruction or assistance as new or unusual situations arise, and are fully aware of the operating procedures and policies of the work unit. Positions in this class are flexibly staffed and are normally filled by advancement from level I, or when filled from the outside, have prior experience.</p>	
Essential Functions	Note: Regular and predictable attendance is an essential function in the performance of this job.
Time % (All below must add to 100%)	Note: Time spent on each essential function will vary based on operational needs and is only intended to be an approximation over the course of a full year.
50%	Selects appropriate designs and layout of roadway signs in compliance with federal standards; designs and creates signs using proper equipment; and ensures quality controls and standards are met.
20%	Designs and fabricates signs for special projects; and provides customers with design specifications and estimated costs.
15%	Conducts research regarding federal guidelines for traffic control media and ensures compliance with federal regulations; and contacts vendors regarding material costs to remain in budget when ordering supplies.
15%	Tracks inventory using Cartegraph, project materials for upcoming projects, and orders required materials from vendors.
