PROGRAM FACTS

Divisions Based on Grade: Following Colorado school age guidelines, PRCS division break down is based on Oct 1, 2020. Parents will register their child based on the grade they are entering.

FOR SOCCER: Players must be 4 years old by the start of the program (March 8, 2021). Player's younger may NOT waive into the program.

Changing to a different division is not recommended. A child may move up one grade level, if the parent signs a waiver acknowledging that they are aware their child may be playing with children up to two years older.

A player may move down one grade level by providing a signed statement from a physician describing a impairment/disability that would prevent the child from playing within his/her division. NOTE: The medical statement must be submitted to the Sports Office for approval. If a child is held back a grade, a letter from the school will need to be provided with the registration.

Player Requests: With the large volume of participants, we can not guarantee your child is going to play with his or her friend; however, PRCS will make every effort to honor requests. Make sure both children are in the same division, select the same practice location, and write the other child's name on the registration form.

Practice Sites: Participants register for a practice location. Practice sites differ from game sites. Your coach will call you to inform you of the time and date of your first practice. Coaches determine practice days and times; and may choose to move practices to a park within a two-mile radius of the sign-up site.

Games Sites: Spring game sites are determined by the number of teams in your practice zone, and the size of the field required. Typically, the younger divisions have the greatest number of participants, hence, the least amount of travel. We have made an effort to design zones that will ensure game sites are reasonably close to practice sites. Games are held at Memorial, Cottonwood, Gossage and Venezia Parks. Additional game parks for Pre-K - 2nd grade will be added if necessary.
