

The City of Colorado Springs Regional Parks, Trails and Open Space Department is pleased to present: **The Traveling Trunks Classroom Presentation Program**

- September – May
- Monday - Friday
- 9:00 am to 4:00 pm
- 3-6th grade
- 45 minute presentations
- Up to 35 students per presentation – Up to 4 presentations for the same trunk per visit

Each trunk is presented by park rangers and contains hands-on objects, maps, artifacts, primary source documents, and lesson plans. The trunks provide exciting opportunities for exploration of and a unique perspective into the natural world of the Pikes Peak Region.

#### Available Trunks:

- Bones N' Stones - Archaeology
- Rocks In A Box - Geology
- Skins N' Skulls - Wildlife Biology
- Where Am I? - Wayfinding & Mapping
- Get Fired Up! - Wildfire Ecology
- What's In Your Watershed? – Water Ecology
- Wood You Be-Leaf It? – Tree Biology

**Please make an online request to your school district's Volunteer Coordinator or Volunteer Services program for a **Traveling Trunk** Presentation for your school.**
