Competencies Required:

Human Collaboration Skills: Interactions have significant impact and may involve recommendations regarding potential policy development and implementation. Position evaluates customer satisfaction, develops cooperative associations, and utilizes resources to continuously improve customer satisfaction.

Reading: Intermediate: Ability to read papers, periodicals, journals, manuals, dictionaries, thesaurus, and encyclopedias. Ordinarily, such education is obtained in high school up to college. However, it may be obtained from experience and self- study.

Math: Advanced - Ability to apply fundamental concepts of theories, work with advanced mathematical operations methods, and functions of real and complex variables. Ordinarily, such education is obtained at the college level or above. However, it may be obtained from experience and self-study.

Writing: Intermediate: Ability to write reports, prepare business letters, expositions, and summaries with proper format, punctuation, spelling, and grammar, using all parts of speech. Ordinarily, such education is obtained in high school and up to college. However, it may be obtained from experience and self-study.

Technical Skills Required:

Advanced Skills and Knowledge: Work requires advanced skills and knowledge in approaches and systems, which affect the design and implementation of major programs and/or processes organization-wide. Independent judgment and decision-making abilities are necessary to apply technical skills effectively.

Relevant Background and Formal Education: Demonstrated skills, competencies, and knowledge required for this job are most often acquired through the following practical experience and level of academic education and training as suggested below.

Education: Bachelor’s degree from an accredited college or university with major coursework in Environmental Studies, Earth Science, Biology, or related field.

Experience: Five years of full-time responsible Stormwater Program experience, including two years

of administrative and supervisory responsibility.

Education and Experience Equivalency:

One (1) year of the appropriate type and level of experience may be substituted for each required year of post-high school education.

Additional appropriate education may be substituted for the minimum experience requirements.

Certifications and Licenses: Must possess or be able to acquire the following certifications and/or licenses.

Certifications required in accordance with standards established by departmental policy.

Supervision Exercised:

Work requires managing and monitoring work performance by directing subordinate supervisors, including making final decision on hiring and disciplinary actions, evaluating program/ work objectives and effectiveness, and realigning work and staffing assignments, as needed.

Supervision Received:

Receives Limited Direction: This job title normally performs the duty assignment according to his or her own judgment, requesting supervisory assistance only when necessary. Special projects are managed with little oversight and assignments may be reviewed upon completion. Performance reviewed periodically.

Fiscal Responsibility:

This job title oversees budget preparation of a division or department budget. Reviews and approves expenditures of significant budgeted funds for the department or does research and prepares recommendations for organization-wide budget expenditures.

Physical Demands:

Exerting up to 20 lbs. occasionally; 10 lbs. frequently; or negligible amounts constantly; OR requires walking or standing to a significant degree.
