

▶ PURPOSE AND NEED

The Purpose and Need provides the framework for evaluating the alternatives, leading to the study's recommendations. The Purpose and Need is used to screen reasonable alternatives.

PURPOSE

The purpose of the transportation recommendations from this study is to address structural deficiencies for the bridges carrying Fillmore Street over Monument Creek, the Pikes Peak Greenway Trail, and the Union Pacific Railroad, improve safety for all users and alleviate traffic congestion and plan for future demand on Fillmore Street, and increase multimodal connectivity along the crossings and to the Pikes Peak Greenway Trail.

NEED

Address Structural Deficiencies

Improve Safety

Accommodate Travel Demand

Increase Multimodal Connectivity
