

Fishers Canyon Open Space Trailhead Concept Plan

LEGEND

Hiking

On-Leash Dogs

Bouldering Opportunity

Biking

Horse

Proposed Picnicking Area

Chamberlain Trail (~3 miles)

ADA Surface Accessible Trail (~.33 miles)

Soft Surface Accessible Loop (~1 mile)
Accessible (2- 5% slope)

Potential Trailhead Plaza
Permissible Uses:
Restroom, waste receptacle, signage kiosk,
Picnic tables and benches.

Possible Future Parking Expansion

The map illustrates the proposed trailhead layout for Fishers Canyon Open Space. It features several key elements:

- Trails:** Chamberlain Trail (~3 miles) shown as a dashed red line; ADA Surface Accessible Trail (~.33 miles) shown as a solid yellow line; and a Soft Surface Accessible Loop (~1 mile) shown as a dashed yellow line.
- Parking Areas:** Chamberlain Trailhead Parking (Initial 61 spots, including 2 horse trailer spots, with a possible future expansion to 33 additional spots) and Accessible Trailhead Parking (Initial 8 spots, including 4 ADA spots, with a possible future expansion to 8 additional spots).
- Trailhead Plaza (TH):** Two potential plaza locations are marked with 'TH' icons. One is near the Chamberlain Trailhead Parking, and the other is near the Accessible Trailhead Parking.
- Property Boundary:** A dashed black line indicates the boundary between the open space and adjacent residential areas.
- Streets:** Wellfleet St. and Irvington Ct. are shown as residential streets.
- Other Features:** A Security Fence, Debris Basins, a Potential Pollinator Landscape, and a Gated Entry (Day-Use Only) are also indicated.
- Scale and Orientation:** A scale bar (1"=100') and a north arrow are provided in the bottom left corner.
